

# Durbie V2 Complete Kit - Printed Parts

Note: Part illustrations not shown to scale

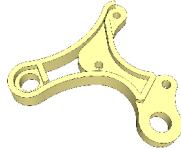

4x frame-vertex-with-foot

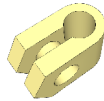

2x frame-vertex-without-foot

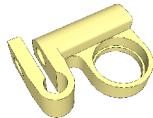

1x y-motor-bracket

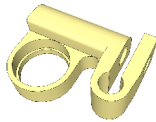

6x bar-clamp

1x bottom-right-bearing-holder

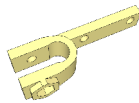

1x bottom-left-bearing-holder

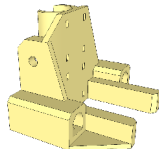

5x endstop-holder

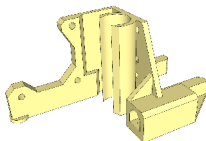

(2x additional for mounting Gen6.d electronics board)

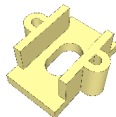

1x x-end-idler

1x x-end-motor

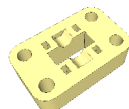

2x slide-coupling-base

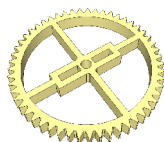

2x slide-coupling-block

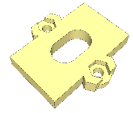

1x idler-block

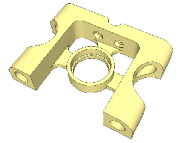

1x 53-tooth-driven-gear

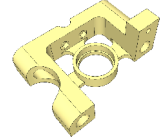

2x slide-coupling-cover

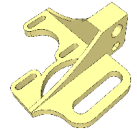

1x top-right-bearing-holder

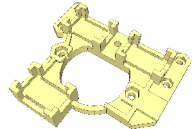

1x top-left-bearing-holder

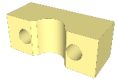

1x z-motor-bracket

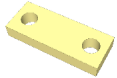

1x x-carriage

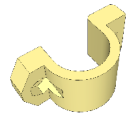

2x rod-clamp

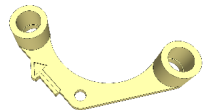

4x belt-clamp

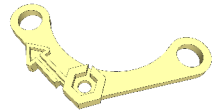

3x y-bearing-holder

1x y-idler-base

1x y-idler-cover

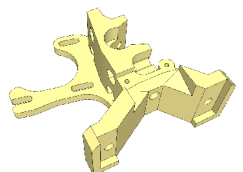

2x z-pulley

2x y-belt-nut-trap

1x extruder-block

1x 9-tooth-drive gear
